

# HSkin-c™

(ITEM CODE: HSc3)

It is clinically proven that oral administration of Bioactive Collagen Peptides® improves skin elasticity that leads to firmer skin, along with enhanced hydration, reduced the appearance of wrinkles, and improved epidermal barrier regeneration.

4 - Week VERISOL® TREATMENT\*

\* 4 week clinical study of daily oral VERISOL® Treatment (2500mg) in comparable to placebo administration. Skin Pharmacology and Physiology Vol. 27, No. 1, 2014. Issue Release Date: August 2013. Department of Dermatology, University of Kiel, and CRI, Collagen Research Institute, Kiel, and Skin Investigation and Technology, Hamburg, Germany.

VERISOL® Bioactive Collagen Peptides® are registered trademark of GELITA AG, Germany.

2.4 fl oz

**HSkin® Skin Rejuvenation Collagen Drink** contains Bioactive Collagen Peptides® that help protect the skin from free radical damage and oxidative stress amongst other potentially harmful factors. When enjoying HSkin®, it can be assured that only the finest ingredients complement the wide array of pure collagen health benefits. Bioactive Collagen Peptides® are at the core of our drinks; they not only allow for optimal collagen absorption in the body, but also timelier results while stimulating the body's own natural collagen production. Containing 5,000 mg of concentrated Bioactive Collagen Peptides®, along with an additional 150 mg of HSkin Lutein™ which is clinically proven to protect against harmful UV damage to the skin, The 70 mL HSkin-c Skin Rejuvenation Collagen Drink has the potency of a day's worth of collagen and skin support. This revolutionary drink is changing the way people address skin health and their collagen consumption- one bottle replaces a day's worth of collagen pills and supplements!

2.4 fl oz (70 ml)
